SKILLS SUMMARY

- ☐ **Languages:** Java,Python
- ☐ **Frameworks:** HTML and CSS, Node.js
- ☐ **Tools/Platforms:** MongoDB
- ☐ **Soft Skills:** Leadership, Problem-Solving Skills, Communication, Gamer

INTERNSHIP

None

PROJECTS

☐ Introduction of Project on Sustainable Land Use and Soil Conservation October 2024

Land is a vital resource that supports human life and ecosystems, providing the foundation for agriculture, habitat, and infrastructure. However, unsustainable land use practices, such as deforestation, overgrazing, and urban sprawl, have led to the degradation of soils, loss of biodiversity, and declining agricultural productivity. This growing concern underscores the urgent need for strategies that promote sustainable land use and soil conservation

The Sustainable Land Use and Soil Conservation project seeks to address these challenges by implementing practices that protect and enhance the land's productive capacity while maintaining its ecological balance. Sustainable land use involves managing land resources in a way that meets current societal needs without compromising the ability of future generations to meet theirs. At its core, soil conservation focuses on preventing soil erosion, maintaining soil fertility, and rehabilitating degraded areas.

☐ MENTAL HEALTH EDUCATION FOR TEEN November 2024

Mental health education involves raising awareness, understanding, and acceptance of mental health issues. It encompasses a wide range of topics, including mental health literacy, strategies for prevention and early intervention, resources for support, and skills for maintaining mental well-being.

ACHIEVEMENTS

☐ Secured Final round in the Hackathon: CODE STORM October 2024

Participated and qualified upto final level

CERTIFICATIONS

- Front End Development(HTML) | Great Learning October2024
- Code Storm Hackathon | 3rd level Certificate October 2024

EDUCATION

- **Lovely Professional University** Punjab, India
Bachelor of Technology - Computer Science and Engineering; CGPA: 7.00 Since August 2024
Favorite Courses: Artificial Intelligence +Machine Learning
- **Narayana Junior College** Tirupathi, Andhra Pradesh
Intermediate; Percentage: 95.1% July 2022- March 2024
Favorite Courses: Physics, Chemistry, Mathematics
- **BLUE MOON INTERNATIONAL School** Kadiri,AndhraPradesh
Percentage: 90.67% 2021-2022
- **JEE MAINS**
Percentage: 90.54% July 2022- March 2024
